Tuition Information

2022/2023

** All fees mentioned refer to the 2022-2023 school year.*

MSB welcomes inquiries and applications for enrolment from all corners of the globe. All new enrolments are subject to an application and registration fee. Payment of the application fee is required before entering into the enrolment process.

The following information covers the total cost of enrolment at MSB and the obligations of parents once their child is enrolled at the School. Once the child is in the School, they form the conditions of a binding contract between the parent and School. The application and registration fees are one-time, non-refundable payments. Enrolments are confirmed only after an offer is made, accepted and tuition fees paid. All due tuition fees must be received by MSB before a child starts at the School.

Our Baby & Me and Parented Toddler Programmes are term programmes only. Enrolment into these programmes is not formal enrolment into the School.

Tuition and fees are reviewed annually and adjusted according to the School's needs and development. Inflation and other economic factors that impact spending are also taken into consideration. Following Indonesian legislation, all fees are charged in rupiah. When paying from a foreign currency account, please check with the bank for the current exchange rate to ensure the correct amount is transferred.

The application fee is non-refundable and is due at the time of application. Once this fee has been paid, the application to enrol process commences. Payment of the application fee places the child on the waiting list for the relevant programme.

The registration fee is non-refundable and is invoiced at the same time as the first term tuition upon an enrolment offer being made. Payment must be received by the due date on the invoice otherwise the offered place may be forfeited.

When parents accept the offered place and pay the registration fee, they agree to pay all of the fees for their child according to the announced rates and times. They acknowledge that late payments will incur a penalty payment of 3% per month and that tuition fees are non-refundable. When they pay they also agree to accept, in full, the policies, terms and conditions of the School as contained in this Parent Handbook plus all subsequent annual and ad hoc amendments. The registration fee is waived if a student leaves and returns within four terms.

For the Baby & Me and Parented Toddler Programmes, a one-off application fee of 250,000 rupiah is charged per child. This covers multiple-term enrolments. There is no registration fee.

Annual Capital Development Levy (CDL)

This annual non-refundable fee is payable prior to enrolment (pro-rata if starting beyond Term One) or with the Term One fees. The fee is used to fund capital development, such as new buildings and other facilities, renovations and extensions.

The Baby & Me and Parented Toddler and Toddler programmes are not offered at the moment. The Programme term fees for each of these programmes is to be confirmed. Both of these

programmes are offered on a term-by-term, first-come, first-served basis only and space is secured only upon receipt of payment. Parents may sign up for as many terms as they wish.

Additional and Optional Costs

These occur infrequently and parents will be informed in advance, in writing about these. They may include excursions and an annual camp for children in the Upper Primary Programme. After-school activities are optional.

In the case that particular support outside of what is normally offered at MSB is required, an additional fee may be applicable. This will be discussed and agreed on with the parent.

Discounts

No fee reduction is offered for any absence, for any reason.

A minimum enrolment commitment of one full year is required to be eligible for any discount. Discounts are only applicable to tuition fees. For families with more than one student attending MSB, sibling discounts apply as follows:

The oldest child pays full tuition; 5% discount is given to the first sibling (when there are two children in the family at MSB); a 7.5% discount is given to the second sibling (when there are three children in the family at MSB), and a 10% discount is given to subsequent younger siblings. In order to receive the sibling discount, all students must be enrolled at MSB concurrently.

Late payment of fees, for any reason, means the loss of all discounts. Discounts are not offered for any reason in the Baby & Me and Parented Toddler Programmes.

Payment Timeline

Application and enrolment payment stages and timeline are as follows:

- When a place offer is made, the parents will receive an invoice for the payment of Registration Fee. To accept the offer, payment must be made within 7 days of the offer date.
- At the same time, parents will receive an invoice for tuition fees. This is usually by term. If parents would like to claim the discount available when the full year is paid in advance, please contact the office. This discount is not available if a student starts part way through the year. Payment of the fees is due within 30 days of the date of the invoice or before the child is due to start school, whichever is the sooner.

- Tuition fees are paid a full term in advance. That is, in Term Four for Term One, Term One for Term Two, Term Two for Term Three and Term Three for Term Four with specific due dates as per the school calendar.
- All due fees must be paid and received by MSB before the child starts in the classroom.

Refunds

Fees are not refundable. The School's budget is determined based on enrolment numbers at the start of the academic year and financial commitments are made to faculty, staff and facilities investments accordingly. Therefore, requests for pro-rata tuition charges or refunds as a result of illness, unexpected departures or extended holidays cannot be granted (refer to **Withdrawal of Enrolled Students** below).

In the event that a student is required to leave for disciplinary reasons, tuition fees are forfeited.
