Additional Information

Montessori is a school of choice with a specialized curriculum and specialized teachers who hold a 2000 hour Montessori teaching diploma in addition to the qualifications expected of any other teacher. As such it is expected that you commit to offering your child the consistency of a Montessori education long term; payment deadlines are not withdrawal deadlines and the CDL is the same across ages and grades as we commit to school growth together. As an incentive, we offer early bird discounts off school fees: 5% if you pay the full year or semester early, and 3% if you pay by term. Withdrawal is not accepted past December of the academic year.

Late Payments

The late payment fee is 3% per month and is applied to the total outstanding fee amounts from the payment deadline. Late payments will also result in the forfeiture of any applicable discounts. If paying by term, withholding of education may be applied if a family has fallen two terms behind on payment obligations and no payment schedule has been agreed upon or any previously agreed upon payment schedule has not been followed. If for any reason parents are unable to meet the financial obligations to the School, please contact the Principal as soon as possible. Unpaid fees will result in the School holding on to the child’s report, yearbook and school photos until such time as the fees are paid.
